SCIENTIFIC SESSION

OF THE INSTITUTE OF PLANT PROTECTION
NATIONAL RESEARCH INSTITUTE

<https://www.snior.pl>

I STATEMENT

Dear Sir and Madam,

I am pleased to invite you to the 60th, anniversary SCIENTIFIC SESSION of the Institute of Plant Protection – NRI, which shall take place from 11 to 13 February 2020 in Poznań. The grand opening of the Session shall take place on 12 February 2020 at 10 am in hotel Novotel Poznań Centrum.

The leading topic of the conference shall be “THE INTERNATIONAL YEAR OF PLANT HEALTH” (IYPH 2020), chosen by the United Nations General Assembly, with the motto “Protecting plants, protecting life”. The main motto of the resolution is prevention against spreading of pests which cause economic loss and devastation in the natural environment, thus endangering the nutrition safety of nations.

The day before the grand opening, forum “SCIENCE – AGRICULTURAL SCHOOLS” shall take place in the IOR Hotel and Congress Centre, which shall constitute the final of competition “Integrated protection of plants – a vision of the young generation” organised by IPP – NRI for agricultural schools. The following shall take place on the same day: SEED FORUM, discussion panel “SCIENCE – ADVISORY – PRACTICE” devoted to problems of transferring the results of scientific research into agricultural practice and “YOUNG SCIENTISTS' FORUM”, where students, Ph.D. students and young scientists shall have the possibility to present the results of their research. The best presentations shall be awarded.

The next two days of the Session shall take place in hotel Novotel Poznań Centrum, where the employees of scientific institutes, universities, Polish Academy of Sciences, Main Inspectorate of Plant Health and Seed Inspection, centres of agricultural advisory and phytopharmaceutical companies working to the benefit of science and agriculture shall give lectures and present posters. The authors of the most interesting presentations shall have the possibility to publish their scientific work in magazines Journal of Plant Protection Research or Progress in Plant Protection.

The 60th IPP – NRI Scientific Session shall give the opportunity to get to know the newest scientific achievements in the area of plant health and of the current problems of agricultural producers. Certainly, it shall also be an occasion to meet people, discuss phenomena and establish contacts within the circle of specialists which in the future may turn out fruitful in terms of cooperation and taking up next scientific challenges.

On behalf of the Scientific and Organizing Committee
Director of the Institute of Plant Protection – NRI

Prof. Marek Mrówczyński

I STATEMENT

IMPORTANT DATES

- 10.09.2019** Opening of the on-line registration, early registration – application form available on the website <http://www.snior.pl/rejestracja>
- 01.12.2019** Deadline for abstracts submissions
- 20.12.2019** Acceptance of submitted papers / posters
- 10.01.2020** End of early registration, standard registration
- 15.01.2020** Publication of the on-line session program
- 11–13.02.2020** 60th Scientific Session of the Institute of Plant Protection – NRI

SECRETARIAT OF THE SESSION
